Terms & Conditions

Clay Farm offers a family friendly, caravan park and fishing environment, in order to keep it that way, we strictly enforce the following rules -

- Be considerate towards other caravanners and keep noise to an acceptable level.
- Do not leave litter anywhere other than in black bags in the bins provided.
- Do not put anything other than degradable lavatory paper in the elsan or permanent toilets. (e.g not wet wipes, sanitary towels or contraceptives).
- Recycle whatever you can at home. Caravan waste is considered business waste and therefore has a cost for removal.
- If you think there is a chance that you will get stuck, stop and investigate before driving onto the site. (Hard standing is usually available).

If you wish to enjoy our beautiful caravan park environment, then please make yourself fully aware of these rules and adhere to them at all times whilst on site. Thank you.

To book your caravan stay, or rally, simply email us your requirements, or alternatively you can download our Booking Form - Print it out, fill it out and post / email it back to us.
